New Employee Frequently Asked Questions

When will I be paid?

Most new employees will receive their first check on the first working day of the following month from your date of hire. Staff that are paid semi-monthly will receive their check on 1st and 15th day of every month.

Where do I pick up my first check?

Paychecks for employees who do not sign up for direct deposit will be available for pick-up in the Bursar's Office. It could take up to two pay periods for employees who sign up for direct deposit to receive their paycheck through direct deposit. After signing up for direct deposit, employees should always verify the available balance in their bank accounts before making any payments. Once your direct deposit is active, you will no longer receive a paper pay check stub. You will instead receive an email notification which will direct you to view and print your paystub information.

I need to change my name and/or address? What do I do?

To change your name and or address, you need to fill out and submit the online Change of Address Forms. The form is located on Human Resources website under Important Forms.

What are the University holidays?

The holidays are Martin Luther King, Jr.'s Birthday, Memorial Day, Independence Day, Labor Day, Thanksgiving Holiday and Winter Break.

When can I enroll for benefits?

Full-time and part-time employees are eligible to enroll in the benefits plan on the first of the month following your date of hire. **This is within the first 30 days of employment.**

When can I take vacation time?

Accrued vacation time may be used after six months of employment with your supervisor's approval. If you are a direct transfer from another State of Texas institution and agency within the preceding 12 months, your vacation time will begin upon your first day of employment.

How do I accrue sick leave?

Your sick leave begins accruing on the first day of employment.

How do I view my address, benefits, vacation, or other personnel information?

With your assigned user id and password, you can sign in to the Banner self-service portal 'MyTSUWeb' to view and access your personnel information.

When can I change my benefits plan?

You can change your benefits once each year during Open Enrollment, or when a qualifying event occurs. Open Enrollment usually occurs during the summer (Late June-July) with implementation effective September 1st. Examples of qualifying events include: the birth or adoption of a child, marriage, the death of a dependent or loss of benefits by a non-covered dependent. For more information regarding your benefits, feel free to contact the HR Benefits Specialist at ext. 7303.

How can I add my spouse/new baby to my benefits plan? How long before I can add them?

Contact the Department of Human Resources Benefits Specialist to complete the required documentation. You have 60 days from the date of birth or date of marriage to add them. After the 60 days have lapsed, you must then wait for Open Enrollment.

If I want to change doctors do I have to contact Human Resources?

No. You contact your health carrier directly to change your primary care physician.
